

Congrats! Next Steps for Your Grant Award

Hello and congratulations on your grant award!

Please click the 'Open Update Form' blue button below to provide the Project Management Office (PMO) team with the award information for your project. This will be treated as a Receipt of Grant Award Form and helps Milwaukee County maintain a central repository for grant information and documentation.

Once you've submitted your update, you will receive another email on the next steps related to the agreement signature process (if applicable).

Please reach out to GSP@milwaukeecountywi.gov if you have any questions or need additional support.

Thank you!
